# Why We Are

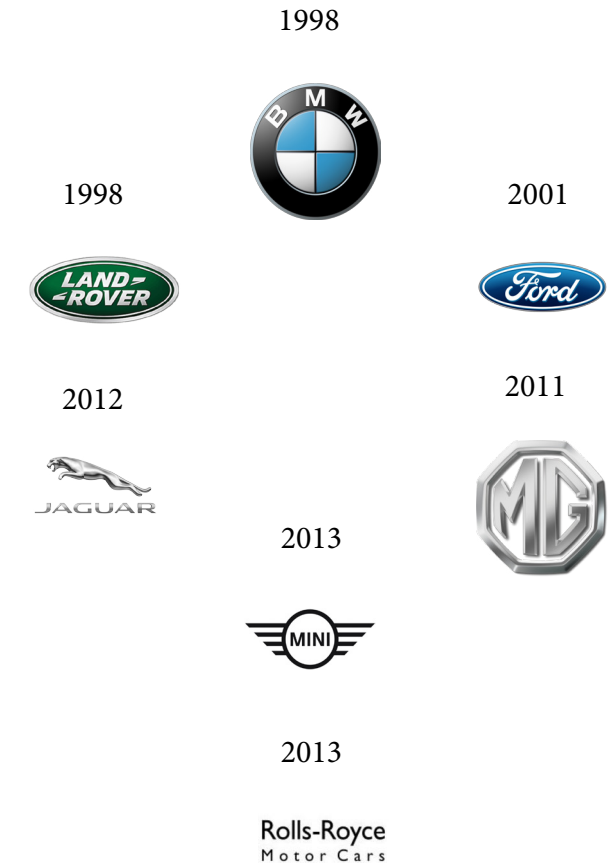

Coscharis Motors established in 1977 as the Maduka Brothers Company with Dr. Cosmas Maduka at the helms of affairs is focused on importation of motorcycles and auto spare parts and, sale of Automobiles to Nigeria's auto industry.

Coscharis Motors in a bid to consolidate its automobile business secured exclusive and inclusive franchise for marketing some of its automobiles. This necessitated the establishment of first class sales and service centres nationwide to cater for the teeming customers of these premium luxury brands.

# What We Do

Coscharis Motors in a bid to consolidate its automobile business secured exclusive and inclusive franchise for marketing some of its automobiles. Through these rights we offer first class sales and after-sales services nationwide, cater for the teeming customers of these premium luxury brands.

# Our Progress

Coscharis Motors Assembly Limited was incorporated on 17th December 2014. While its initial Semi Knocked Down business office was sited at PWD in Ikeja, its registered office and main plant for the SKD and CKD is located at Km 32 Lekki Epe Express Way Awoyaya, Lagos State.

Currently, the main plant at the Corporate Head Office is being built on a piece of land of more than 14 Hectares. This will definitely be launched in 2016. When completed, the plant will have more Rangers coming off the line in the first phase of production. However, as production increases other derivatives will be added.
